Foundation for Rural Service Community Grant Recipients

As part of its ongoing commitment to rural communities across the country, the Foundation for Rural Service (FRS) offers aid for communities served by NTCA — The Rural Broadband Association members, including Twin Lakes — through its annual Community Grant Program.

The grants are designed to provide support to a variety of local efforts to build and sustain a high quality of life in rural America. Twin Lakes would like to congratulate Upper Cumberland Local Workforce Development Board and Youth Villages Middle Tennessee as recipients of the 2024 FRS Community Grant.

For more information on the FRS Community Grant, please contact your local Twin Lakes office.
