Twin Lakes Empowers Communities Across the Upper Cumberland with Over \$110,000 in Technology Grants

As part of its ongoing commitment to rural communities, Twin Lakes awarded more than \$110,000 benefiting 26 regional organizations. This initiative includes a \$5,000 grant awarded in collaboration with the Foundation for Rural Services (FRS), underscoring Twin Lakes' commitment to bridging the digital divide in rural Upper Cumberland communities. These organizations range from schools, museums, fire departments, economic development groups, and more.

Now in its 5th grant year, the Twin Lakes Difference grant program has significantly impacted over 95 organizations throughout the Upper Cumberland. These grants aim to enhance technological infrastructure, foster digital inclusion, and empower local initiatives.

Twin Lakes looks forward to the significant impact these projects will have on our local communities now and in the years to come. To see all the Twin Lakes Community Grant awardees, visit the Twin Lakes Facebook page!

Call **811**
before you dig

Protect your community from the hazards of striking an underground utility line — always contact 811 before digging to avoid service disruptions caused by damaging buried utilities.

STEP 1

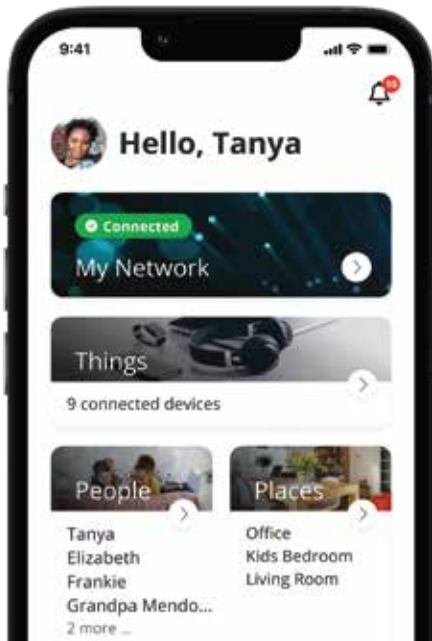

CALL 811
to request to
have buried
utilities marked.

STEP 2

PROVIDE INFORMATION
about your digging project
(i.e. location, county, and
type of project).

STEP 3

WAIT A FEW DAYS to allow utilities
to respond to your request. Ensure
that all utilities have responded to
your request before breaking ground.

Maximize your Wi-Fi, Minimize your lag.

Take full control of your Wi-Fi network with IQ**MAX** and IQ**MAX+** through the Gigaspire Worry-Free Router Plan. Manage devices, set guest privileges, monitor kids' online activities, and maximize network security.

**Unlock additional IQMAX+ parental control
