

FRS Youth Tour

The Foundation for Rural Service (FRS), along with Twin Lakes and other NTCA-member companies, sponsor the Youth Tour to Washington D.C.

The Youth Tour gives rural high school students from around the United States the opportunity to visit Washington D.C. on a four-day tour. Twin Lakes is proud to sponsor Brooklynn Loftis from Livingston Academy and Gunter Fitzgerald from Pickett County High School.

Left to Right: Gunter Fitzgerald (Pickett County High School), Ashley Hillbrand (Twin Lakes Employee), Brooklynn Loftis (Livingston Academy)

Left to Right: Madison Smith (FRS Scholarship Winner), Gail Myers (Twin Lakes Board Member), Jonathan West (Twin Lakes General Manager/CEO)

FRS Scholarship

The Foundation for Rural Service (FRS) offers an annual college scholarship program to help further higher education among rural youth. Twin Lakes, in partnership with FRS, sponsors the students who apply for this scholarship. This year, we are proud to announce Madison Smith from Monterey High School as a 2025 FRS Scholarship Recipient. Madison will receive a one-time \$2,500 scholarship to further her education at Tennessee Tech University. Congratulations Madison and the Class of 2025!

FRS Grant

As part of its ongoing commitment to rural communities across the country, the Foundation for Rural Service (FRS) provides annual grants for communities served by NTCA members such as Twin Lakes. The goal of this program is to support local efforts to build and sustain a high quality of life in rural America. The grants, ranging from \$250 to \$5,000, are intended to be invested back into rural communities. Grant projects are concentrated in four major areas: business, community and economic development, education, and applications of telecommunications. Visit us online at twinlakes.net or check out our Facebook page for more information.

Summer Made *Secure*

From the pool to the barn, a Twin Lakes security system can help you keep tabs on everything going on around the house this Summer. Video monitoring, door alarms, lighting controls, and more make it easy to monitor the places you can't be. Contact us to learn more!
