

Project Graduation

Twin Lakes recently visited each high school in our service area to present the graduating seniors with a \$2,500.00 check to be used for Project Graduation.

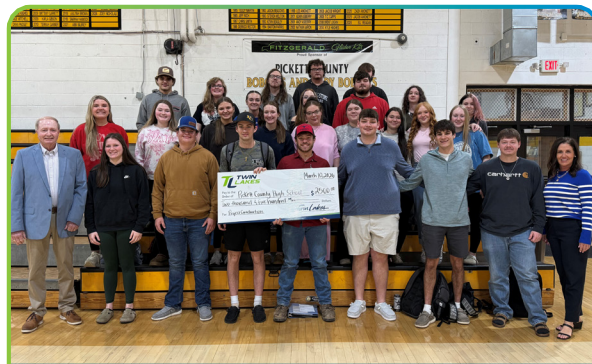

Project Graduation is an overnight event the seniors participate in as their class gathers for one last time. Numerous items are given to the students during the Project Graduations as a gift for their accomplishments and hard work over the past four years.

Twin Lakes is proud to sponsor this event and would like to congratulate the Class of 2026 and wish them the best in their next chapter in life.

Pickett County High School

Upperman High School

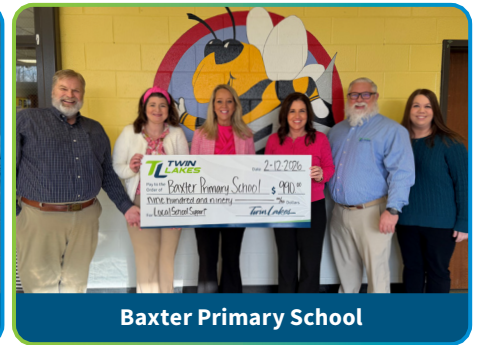

Local School Support

Twin Lakes recently visited all K-8 schools in our service area to present them with a check to help further meet the needs of their students. Each school received \$3 per student that was currently enrolled. At Twin Lakes, we recognize the vital role education plays in our rural communities and are dedicated to enriching the learning experience for students in our region. **Visit the Twin Lakes Facebook page to see all the schools involved.**
