

FRS Scholarship Winners and Youth Tour

Twin Lakes is proud to recognize our 2026 Foundation for Rural Service (FRS) recipients. Eli Baker (Jackson County High School) and Emma Poston (Livingston Academy) each received a \$2,500 scholarship. Landon Baldwin, a student at Tennessee Tech University, was the first recipient of the \$2,500 scholarship for non-traditional students.

We also congratulate Devin Phillips (Monterey High School) & Layne Ault (York Institute), who attended the 2026 FRS Youth Tour in Washington, D.C., where they learned more about broadband and connected with students from rural communities across the country. Rachel Iwanyszyn, Twin Lakes' Accountant, attended the tour as a chaperone.

Congratulations to all of our students, and thank you to everyone who applied!

Can you or an organization you know benefit from funds provided by a Twin Lakes Difference grant?

Twin Lakes is proud to support rural organizations through technology-related projects in the following categories:

Business and Economic Development

Community Development

Telecommunications Applications

Education

Applicants may apply for technology-related requests in the range of \$250 to \$5,000.

If your organization is interested, scan the code, visit twinlakes.net/grant, or contact one of our local business offices.

Deadline to apply: September 1, 2026

Thank you

We appreciate all who attended the 75th Anniversary events at our local offices. We had a great time!
